AVALON FUNERAL PLANS

Julie Thomas

Come into the Olé Bar in Jalón on a Wednesday morning between 10am. and 1pm., where you will find U3A member Julie sitting quietly in the corner waiting to answer all your questions regarding the Funeral system for ex-pats here in Spain.

Avalon funeral plans are now the largest Pre Paid Funeral Plan Company in Spain, selling around 6,000 plans a year in the UK and Europe.

With an Avalon funeral plan, you can be sure that your final event and funeral expenses will be taken care of with just one phone call. We also provide dual cover for both Spain and the UK, and are fully transferable should you relocate to another European country. We also offer a first members plan, which means that both partners can be covered on the cost of the one plan. Prices start from £3000 or 3,500€ for a full inclusive package.

U3A members qualify for a 50 euro discount off the price of your plan when you produce your current membership card.
