Builders

PAUL GRANT - PAINTER AND BUILDER

Paul is an experienced (and legal!) English builder based in Rafol, who can offer the complete range of building services, including help with Town-Hall paperwork. He works closely with George Lippert, a recommended painter and decorator, (George is German, but speaks excellent English) so between them, they can handle any building task you may have. **15% saving on work and materials for U3A members.**

KIDEASE

KIDEASE is the largest nursery equipment hire firm on the entire Costa Blanca and has been in existence for about the last 10 years. Kidease has now just opened another branch in Calpe to deliver baby equipment to holiday makers from Alicante to Javea and all places in between, including the Jalón Valley areas. They rent out all kinds of baby and toddler equipment to holiday makers and Costa Blanca residents (push chairs, cots, prams, stair gates, car seats, strollers etc). All their equipment meets all EU safety standards and is all cleaned and checked twice between rentals. They deliver, install and then collect at the end of the rental period at any time, day or night, 24 hours a day, 7 days a week. There are no delivery charges or deposit to pay and all prices quoted include IVA.

They are offering a 20% discount to U3A members.
