La Fiesta de Todos los Santos of Cocentaina is one of the most established festivals in the region.

It has been held since 1346

due to a privilege of King Pere IV. This tradition, which each year attracts thousands of visitors,

was declared a National Tourist Interest Festivity in 2012.

The fair is know in Spanish as the Fira de Tots Sants, which directly translate to the Fair of

All Saints. There is the traditional funfair as well as all types of products: from horses to cars,

household items to shoes and toys, to locally produced wines and cheeses. It is most famous for its

focus on traditional crafts such as metal work, lace making, embroidery, jewellery making, painting,

soap making just to mention a few.

Tickets will be on sale 6th September General Assembly.

Doors open at 10:00. Again this will be a very popular trip and places always sell out very quickly.

New Idea.....

Sonia , would like to organise a trip to Galicia, possibly
May 2019.

This would be an 8 days /7 nights trip.

Galicia, a unique region with its own language and distinctive culture.

It is the home of Santiago de Compostela , which is one of Spain's most beautiful and magical cities. But Galicia is much more than Santiago. The wild coastline is frayed up and down its 1200km length by majestic coastal inlets, cliffs, beaches, islands and fishing posts which brings in the best seafood in the world.

Please let Sonia know by emailing ladyrocker2@google-mail.com

Speaker for September is Avner Kornblum- one of our own members.

‘South Africa then and Now’.

With so much going on in the world this should give us a perspective on how things have changed and developed in South Africa.
