Sandra explained that the bank had certain criteria that we had to meet before they agreed this donation, and we stipulated that we would buy a defibrillator and organise a course of First Aid sessions. These are being researched.

**Membership Secretary.** At the last GA in October, there were 457 members. During the month, two new members joined us and at this GA we had a further two members join, giving a total of 461. So welcome all new members.

For those members who wish to pre-pay their 2024 membership in cash, then Membership can do this - all you need is to provide your name and €7 to either Ann or myself. For those wishing to pay by bank transfer, please could they wait until after 1 January before doing this in order to assist the Treasurer with his final 2023 accounting. A reminder was given to members paying from a Sterling account in that the U3A's bank will charge a fee of €15, which would have to be charged back to the member. Of course, membership can also be paid at the General Assemblies in January, February and March. In addition, we will also be running Satellite Renewals, provisional dates and locations of which are :

22 January - Jalon

14 February - Orba

19 March – Alcalali

Keep an eye on the website for further details.
